Williamsville, N. Y.

Dear Mr. Brauner:

Thank you very much for the report of our test program of the fifteenth. Our operator on duty at that time states that your verification is Okeh.

We appreciate very much receiving as you have sent us, as it gives us an accurate check on our transmitter, etc.

Again, thanking you, and trusting that you can again be our listener.

Yours truly,

*Paul W. Palmquist*
