Dear Mr. Brauner:

Please accept our apologies for not answering before this time; but as you mentioned, we are and have been very busy getting our station going.

This letter is to acknowledge your report of having heard WLBK on its equipment test of December 1, 1947, and that your program details correspond with our station log of that date and reception is verified.

Thank you for your good wishes and hope this letter answers your purposes.

Sincerely,

T. A. Lanes
