Mr. Joseph Brauner,
17 Spring Street,
Williamsville, Pennsylvania.

Dear Mr. Brauner:

I wish I could tell you just how much I appreciate your letter of April 8 which is hereby acknowledged.

Some time ago I had a report from a radio listener which was incorrect, so much so that I couldn't see how he had our station. I wrote him as courteously as I knew how to that effect, only to be insulted beyond measure by his answer. He was infuriated because I dared to question his word.

A radio directors job is not all roses and it is a pleasure to get such friendly cooperation as is evidenced in your letter.

And this time your report apparently tallies with our broadcast for Mabel Roberts Walker was scheduled to sing.

I was in New York but I am satisfied from the report you make that you actually got the station all right. Please let this letter constitute a verification of your report.

Please let us hear from you again as we don't want to lose touch with such kindly and cooperative friends. Again thanking you and with best wishes, I am

Most cordially yours,

 J. P. Holmes-7
