Mr. Joseph Brauner,  
17 Spring St.,  
Williamsville, N. Y.

Dear Mr. Brauner:

We appreciate your report on program from WCMA. Culver is a private school for boys and the only one we know of that has its own radio station. The Academy is complete in every detail for the all-round training of boys - both summer and winter - preparing them both for college and for a life of useful service.

The Ekko stamp requested is enclosed herewith.

Except during the Holidays when the cadets are on leave, we broadcast on Monday and Wednesday evenings on a wave of 260.7m and 500w. We hope you will enjoy other programs.

Very sincerely,  
STATION WCMA
