Dear Sir:

My we express our appreciation of your letter of October 13th. concerning the program which you heard from our station on Sunday October 13th. which we are very glad to verify at this time.

Unless you are the operator of a station such as ours you can not appreciate the wonderful help which comes to us when letters from our listeners are received and may we at this time express our appreciation and if at any time we can be of service to you in this locality we will be very glad to co-operate with you.

We are returning the twelve cents in stamps which you sent us as we do have or use the Ekko stamps but we will be glad to hear from you and know that you are listening in on our station.

MCK:EM

Yours very truly,
