Dear Mr. Brauner:

Sorry to be so long in answering your letter of reception of WILO, while on initial equipment tests November 5th, but we have been real busy.

We wish this letter to serve as your reception of WILO. We have very few reports with no interference from XERF. However, your logging is very accurate considering the distance you are from Frankfort.

Again, we wish to apologize for being so long in answering and wish to thank you for your letter.

Sincerely,

RADIO STATION WILO
