Dear Mr. Brauner :

This letter will confirm your report of reception of our station during equipment tests on the morning of Nov. 28 1949 from 3:00 A.M. to 5:00 A.M.(CST). Your report agrees with our station log for time stated.

We are happy to receive your report regarding our station and hope you will join us again during future equipment tests which are scheduled for the first monday of each month from 1:00 A.M. to 2:00 A.M.(CST).

Remarks : Thanks for a very interesting report. Like you cant quite enjoy all that music that was played but was a bit busy here at the transmitter at the time so didn't mind it too much. Our announcer that was on at the time really does go for that sort of music. Guess he isnt old enough to know better. Dick is a good kid though and in my opinion a good disc jockey.

Sincerely

David L. Reed
