Williamsville 21,  
New York

Please excuse the delay in confirming your DX report of May 20. It is gratifying to hear of your reception of our signal in Buffalo, I was very glad to hear from you being our first DX report.

We will commence our program test June 4, at about 1:00 PM.

Thanking you for your report and verifying reception,

Yours very truly

RADIO STATION KMAN

Herbert P. Lavin  
Chief engineer
