J.W.Brauner
Box 22
Valier, Pa.

This will verify your letter of the 20th re reception of sign off of KSIR. It is possible that reception was made as we have had several letters from this distance on KSIR. Our directional antenna is of such design that we have a large amount of high angle radiation which makes such reports possible.

Very truly yours,

K S I R Inc
K.W.Pyle
