DEAR SIR,

THANK'S FOR YOUR LETTER ABOUT HEARING OUR SIGNAL THURSDAY
AUGUST 28TH. THE ANNOUNCER'S NAME IS BRAD WALDEN, AND THE GENERAL
DATA QUOTED IN YOUR LETTER IS JUST ABOUT WORD FOR WORD WHICH WE USE.
AS YOU SAID YOU GOT A PRETTY GOOD SIGNAL, APPARENTLY.

WKKS IS AN INDEPENDENT, DAYLIGHT A M STATION, THAT TOOK THE AIR
THIS PAST JULY FIRST. VANCEBURG IS LOCATED UP RIVER ABOUT NINETY MILES
FROM CINCINNATI, OHIO. OUR EQUIPMENT IS ALL BRAND NEW AND OPERATING
IN EXCELLENT ORDER,, POSSIBLY WHY THE SIGNAL GOT UP TO YOU.

KARL KEGLEY, THE STATION OWNER AND BUILDER, OWNS THE WORLD'S
LARGEST WAR SURPLUS WAREHOUSE, HERE IN VANCEBURG, AND RADIO PEOPLE
COME FROM MANY MILES AROUND TO DIG THROUGH THE MILLIONS OF ELECTRONIC
PARTS. THE WAREHOUSE SELLS MANY KINDS OF RADIO EQUIPMENT, ETC. AND
MUCH OF OUR ^AADVICE HAS COME FROM WELL QUALIFIED RADIO PEOPLE. ANOTHER
REASON WHY WE APPARENTLY HAVE A WELL OPERATING TECHNICAL STATION.

OUR REGULAR FREQUENCY CHECK IS THE SECOND TUESDAY IN EACH MONTH.
IT WAS AT 5:45 BUT SINCE OUR ON THE AIR TIME MOVED UP WE HAVN'T CHECKED
THE EXACT NEW TIME YET. HOPE THIS HELPS SOME THOUGHT.

THANK'S FOR THE LETTER,
