Dear Mr. Brauner:

We certainly appreciate your response. We are happy to learn that our signal reached you so well.

Our station is W.N.G.O., We Need God Only. It operates on 1320 KC with 1000 watts daytime only. Controlling interest is held by a Baptist Evangelist, Reverend H. M. Suthard of Wingo, Kentucky. All the equipment is built by Gates. The antenna is a 200 feet vertical tower, series fed.

Kenneth Z. Turner, N.R.I. graduate, is Station Manager; James R. Turner, former Radar Technician, is Chief Engineer; and Paul Smithson, former Army Pilot, is our main Staff Announcer.

I hope that this information will be of interest to you.

Best regards,

Kenneth Z. Turner, Manager
