

Dear Mr. Brauner:

This ~~will~~ serve to verify your reception of Radio Station KPLC on April 20, 21 and 23 on a series of special tests programs preparatory to going ~~on~~ the air regularly. Please pardon the delay in answering as we have been very busy getting things running smoothly. Our regular frequency check period is the first Thursday morning in each month at 4:20 C. S. T. We certainly appreciate your reports which were correct in every detail.

Very truly yours,

RADIO STATION KPLC
