Dear Mr. Brauner:

We wish to thank you for your complete report of reception of our new station on 1400 kcs.

Your report was found to be correct and checks with our Station's Log. We started regular programming December 3rd, 1950 with a daily schedule starting at 7 A.M. until 11 P.M. Our transmitter is an RCA 250-K and the antenna is 176Ft. (181Ft. over-all height) tapered, square, cross section, self supporting, series fed vertical radiator. The ground system consists of 120 buried copper wire radials 280Ft. long plus a 30Ft. copper ground screen.

Thanking you again for the report of the reception of our new station, I remain

Very truly yours,

Hal Schumacher
