Dear Mr. Brauner:

Thanks for your report of receiving our test transmission on January 18, at 4:30 AM E.S.T. You may consider this letter as verification as your listings are in agreement with our operating log. To date I have received 20 reports of the test; the farthest being from Len Kruse 816 Euclid Street, Dubuque, Iowa. Any listening farther to the west was probably swamped by XESM Mexico City, on our 1470 KC. spot with 5000 Watts of power.

Sincerely,

*Kenneth H. Rockwell*
