Dear Mr. Brauner:

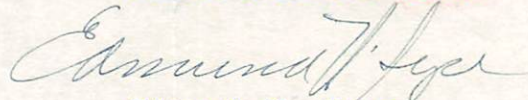

Thank you very much for your letter of November 11. Please accept my apologies for our previous chief engineer not replying to your verification report.

Since **WDYK** has its monthly frequency check program with RCA Laboratories on Long Island the first Thursday of each month, your statement to the fact that you heard us during one of these periods is correct. It is also interesting to know that you heard us on October 12 as we signed on.

Best of luck, and we sincerely hope that you have lots more thrills with your DX hunting.

Very truly yours,

RADIO STATION **WDYK**

Chief Engineer
