Dear DX Friend:

Congratulations on your reception of one of the first programs broadcast by Radio Station WJEJ. In Acknowledgement and compliance with the request contained in your letter, we are pleased to avail ourselves of this opportunity of verifying the test program which you received October 26 and also Nov. 16, 1932.

We have checked our program log against your letter, and find the same correct. It is a pleasure to send you this verification, and at the same time express our appreciation for the interest you have shown in our station test program.

We have many interesting DX programs arranged for the very near future, of which we will endeavor to notify the various radio clubs throughout the United States and Canada, who can pass the information on to you and to the many hundreds of interested listeners.

We offer our sincere apology for our delay in answering your letter, however, we have been swamped with DX mail, and this coupled with the many duties connected with the opening of a new radio station, is our only excuse for this unnecessary delay. We wish to inform you that we are sending an echo stamp under separate cover.

With many thanks, we beg to remain,

Very truly yours,

RADIO STATION WJEJ
