Mr. J. W. Brauner
23 Howard Avenue,
Williamsville 21, New York.

Dear Sir:

To acknowledge your letter of November 23, 1952.

We thank you very much for your interest in radio in general and principally for letting us know of the signal strength of our station.

Your card will be returned, but we would also like to let you feel that the efforts of National Radio Club members are appreciated by our station, and to let you know that these reports don't go un-noticed. Perhaps the reports in the past have somehow been mislaid, or put aside for attention at some later date, but we hope to be able to supply an immediate confirmation in the future.

In case you may be interested, the full address of our station is "WUST, Bethesda 14, Maryland; with auxiliary studios in the Republic Theatre Building, Washington, D. C."

Thanks again for your interest.

Very truly yours,

Robert E. McNeil
Office Manager.
