Williamsville 21, New York

Dear Mr. Brauner:

Thank you for your very interesting letter of March 12, 1949, regarding reception of station WKNK.

Your log of Saturday morning March 12, was very excellent and we are happy you were able to get such a strong signal.

We do believe we have very excellent equipment. It is made entirely by the Gates Company.

Sincerely,

NK BROADCASTING COMPANY
