J.W. Brauner,
23 Howard Avenue,
Williamsville, New York.

Dear Mr. Brauner:

Upon comparison of your report with our station log, there remains little doubt that you heard us at the specified time.

We thank you for the information regarding our reception in Williamsville.

We have just completed our equipment tests, and have received permission from the FCC to commence our program tests, which we will go on the air with this morning at eight o'clock.

Thanking you again for your report, I remain,

Sincerely,

Richard G. Cleaveland
