

Lapeer, Mich.

Dear Friend:-

We are pleased to be able to verify your recent report of reception of our Radio Gospel Service, and are enclosing E K K C verification stamp.

We are not permitted to use more than 50 watts of power and it is a surprise to us to get so many D.K. reports, as it is very hard to get through the interference of the lower part of the broadcasting belt.

We begin filling requests for our D.X. friends at 11:30 P.M. Eastern Standard Time each Sunday evening.

With best wishes and hoping to hear from you again,

we are

Sincerely yours,
