Dear Mr. Brauner,

This is to verify your
report of test program logged on
March 6. Your interpretation of the
song titles gave us a laugh. The
audience was the chief engineer
and he was more intent on the
transmitter & so far as to do record
more than make station breaks.
However, we played those particular
records (under slightly different titles!)
so your log is in accordance with
ours. We are a bit puzzled at
what you called "That Impossible Song".
Hi.

Thanks again for your report
and good wishes. We go off the air
at 6 pm Sun. April 27 with Jack Berry
show.

Sincerely yours
David R. Holmes
Chief Engineer
