

Fergus Falls, Minnesota.

1933

This card certifies that  
tuned in a Special program broadcast by  
the Voice of the Lake Region  
on the date of 3/11 1933

*J. W. Brauer*

This is a 250-100 watt (LS)  
transmitter which broadcasts  
on a federally assigned frequency of 1200 kilocycles.

Thanks for your swell  
letter. Here's  
Hoping this card will  
keep us off "black list."

*David Driscoll*  
Program Director--K G D E
