Dear Sir:

We are very sorry that your reception dated September 22nd, has not as yet been verified with an Ekko stamp, due to the fact that we have not been able to have our supply replenished, but now that we have done so, it is with pleasure that we are enclosing one for you.

Are you still one of WEBC's listeners? If so we hope that our programs come through all right and that you are enjoying some of them. We have been having new features added right along so our programs are getting better and better.

Very truly yours,

HEAD OF THE LAKES BROADCASTING CO.
