Mr. J. W. Brauner,  
17 Spring Street,  
Williamsville, New York.

Dear Mr. Brauner:

Your favor of the 1st instant, concerning our DX program from Radio Station KGIZ, was duly received.

We went on with a short program, as suggested in your letter, simply a kind of a try-out. We intend in a very short time to go on some night with a regular DX program and will advise you fully of it in plenty of time before hand.

It is not because we do not want to answer the letters, for we will be glad to do so and have all the reports possible that we can obtain. We understand that some people may tell us that they heard us, and thought if we got on with people not knowing of it, that we would be better able to check up later on when we went on with the regular DX program.

We thank you for the interest you have taken and assure you that before long we will notify you of our regular DX night and will especially have the boys play some piece for you.

I beg to remain,

Most respectfully yours,

*Ed Kelso*
