

K L D S

INDEPENDENCE
MISSOURI

October 21, 1927.

Mr. Joseph Brauner,
17 E Spring St.,
Williamsville, N.Y.

Dear Radio Friend:

We duly received your letter commenting on your reception of our station and we appreciate your remarks. Generally speaking we are not being received as well as we were on our wave length of 441 meters, however this condition prevails on practically all wave lengths, as you know.

We are glad to verify your proof of reception card report and are enclosing herewith KLDS ekko stamp.

Our station is also operated now with call letters KMBC. The KMBC schedule follows:

Sundays, 2 and 8 P.M.

Daily (except Sundays) 12 o'clock - noon.

Daily (except Sundays and Wednesdays) 9 P.M.

We would appreciate very much if you will listen to future programs and report, using the enclosed report cards which also contain the KLDS schedule.

Sincerely yours,
