Dear Sir:

Thank you very much for your letter of February 6th, in which you reported reception of our station.

According to the station logs and the announcer on duty the morning of february 6th, you were tuned to K L R S. The sign on announcement you herd is ours, however as to the time of our sign on, we do not have Western Union time service and can't give you the exact time of our sign on, according to the program log we signed on at 6:00 A. M. We did broadcast the Lords Prayer by a local minister following our sign on.

I hope this leter will serve as verification of your redeption of K L R S. If you ever hear our signal again would be gald for you to let us know, will be glad to confirm any reports of reception of our station.

Very truly yours,

Nelson Wheeler
