

CORRESPONDENCE

Dear "DX" Radio Friend:

This acknowledges your Reception Report which we have checked to verify your DX reception.

KMBC broadcasts continuously from 6:30 a. m. to midnight. We hope you will get worlds of entertainment from your "new radio station" KMBC of Kansas City.

Here is a picture of the new Vertical Radio Transmitter which you will note represents the latest development in radio transmission and it is the tallest commercial installation of its type in America.

"THE FOLKS AT KMBC."
