Dear Mr. Brauner:

Your December 16 letter has been read with a great deal of interest and appreciation. We are very glad indeed to verify your report of reception of WOQ, broadcasting a special program from midnight until 2:00 a.m., Central Standard Time, Saturday, December 16. We appreciate your writing us, and we are really glad to know that you found the program interesting, and of a different nature than most DX Programs. We hope that you will be enabled to tune in on WOQ frequently. For your convenience and information we are inclosing a copy of our complete broadcasting schedule.

Since you enjoyed the talks given by Mr. Fillmore and Mr. Wilson, we believe that you too would like to receive some more copies of the Unity literature. We are, therefore, under separate cover, sending you sample copies of Weekly Unity, Unity magazine, and our new periodical, Progress. We hope you will give these periodicals some attention for we believe that you will like them.

May this coming Holiday Season be filled with the Spirit of Christ, bringing real joy and a sense of freedom and well being throughout the coming new year.

Cordially yours,

UNITY RADIO STATION WOQ
