Mr. J. W. Brauner
23 Howard Ave.
Williamsville, N. Y.

Dear Sir:

This is to verify your letter of December 13, 1946 stating that you were able to receive one of our equipment test programs.

After checking our operating log for the above date I find that the musical part of the program and the announcements made check with your letter.

Thanking you for your interest in our new station we remain;

Yours very truly,
Station WCJU

B. B. McLemore
