Mr. J. W. Brauner,
17 E. Spring St.,
Williamsville, N. Y.

Dear Mr. Brauner:-

The results of our early morning D X broadcast were most gratifying, so much so that we have decided to put on a special D X program on Sunday mornings, once a month, and have set the date of March 23rd for our next early morning special broadcast.

Our artists all performed wonderfully and proved themselves very good "trouper^s" and stayed right on with us until we signed off at 6:30 A. M. EST.

We are enclosing herewith a list of the people we have heard from up to and including noon Wednesday Feb 26th. This will give you an idea as to the section of the country we have been heard in most successfully.

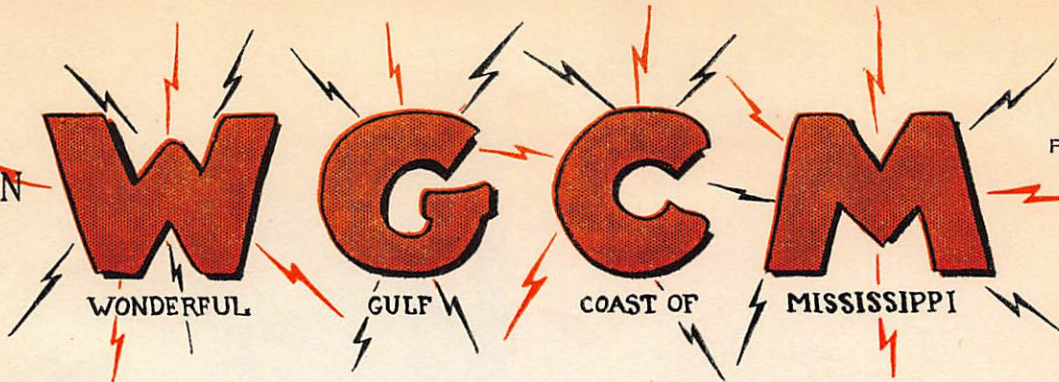

May be express our most hearty thanks for your splendid cooperation in assisting us ^{so} nobly is this special broadcast, and we want you to know that we appreciate this cooperation very much.

Altho' we announced that we ^{would} send a souvenir to all of the listeners in who would send us a wire or telephone us, we are sending you under separate cover one of the souvenirs that we offered and enclosed herewith you will find a courtesy card to our splendid and most ^{the} beautiful golf course in the entire south. Anytime that you should happen to be down here, by all means, come in a let us get acquainted.

We also wish to call your attention to the fact that we always broadcast a special Sunday afternoon program from 4 to 7 P. M. EST, and we are asking all of our good D X friends that we have been hearing from to try and pick us up during the Sunday afternoon broadcasts. Swampscot, Mass., has picked us up on Sunday afternoon about three weeks ago, and we feel quite certain that you will also be able to pick us up during that period - try it and let us hear from you.

Remember us to all of your D X club members and tell them to listen in again on March 23rd the same time and let us hear from them, we have plenty of good talent available down here and could put on a good show every month without the necessity of repetition.
