Mr. J. W. Brauner
Williamsville, N. Y.

Dear Sir:

Many thanks for the report on our early morning test program February 24. Your reception as reported 2:25 to 2:49 A.M. cst is correct. We sure do appreciate your nice letter and are very sorry about the other letters you wrote us. Somehow they must have been misplaced. I imagine that was about the time we were getting started and in operation.

This letter will verify your reception.

Our greatest DX has been Dunedin, New Zealand.

If you are ever down this way drop in to see us.

Sincerely,
Hattiesburg Broadcasting Co.
