Dear Mr. Brauner:-

It is with pleasure that I reply your kind letter of the 3rd., last, wishing that some time soon you can be able to tune us in on the short wave of our double transmitter, as quite a number of reports of New York reach us daily.

As per your instructions, I take pleasure in sending you herewith 5 10¢ stamps for first class mail service from the Republic of Mexico to any part of the States (USA).

May I ask you to give our best regards to the members of your Club, reserving for yourself the sincerity of our radio friendship?

Best 73 and gud luck on your D.Xing,

Yours very truly.

Bravo
