Dear Sir:

This is to verify your report that you heard our station  
Sept. 21, 1950. Operation on 1450 KC with a power of 250 watt.  
Your interest is appreciated by the management and the staff of  
the station.

I am very sorry for being so late in verification of your report  
But have been very busy since we went on the air. Please except  
my apology for being so late.

Yours Truly

Radio Station WATA

Bill K. Phillips

Chief engineer
