Dear Mr. Brauner,

Thank you for your report of reception of WCBT on December 15th. It is correct. We only had an equipment test for about forty five minutes.

We will run a DX program for the World DX Alliance on December 28th between 3:00 and 4:00 AM EST and there is a tentative program for the National Radio Club on January 23, between 3:00 and 4:00 AM EST. If you should pick us up on either of these dates we will be more than glad to have a report from you.

May I extend to you and your family the seasons greetings.

Sincerely yours,
