Dear NRC Member,

Yes, I can confirm your reception report.

WCHL operated from 3 to 3:15AM with our main transmitter non-DA; from 3:15 to 3:30AM with our alternate main transmitter non-DA. At 3:30 to 3:45AM we operated our alternate main transmitter DA; at 3:45 to 4:00AM we operated our main transmitter DA. At 4:00 to 4:07 we operated our main transmitter non-DA.

I appreciated hearing from you, and I will be glad to conduct another test when you desire.

Sincerely,

Rick Edwards  
Engineering Manager
