Dear Sir:

I am very pleased to verify that your report of reception of W C O G was entirely correct.

Our signal is directional, and is cut off in your direction. We have a figure eight pattern with both major lobes being east and west. In your direction we offer protection to a station in Pittsburg, Pa., and South of here, protection to a station in Jacksonville, Fla.

Thanks very much for your reception report; wish you continued success DXing.

Sincerely yours,

Earnest Pate, Jr.
