Dear Mr. Brauner:

Thank you for your letters dated May 30th and June 7th, 1959, concerning our signal coverage of WETC doing equipment test. We are very happy to hear our signal is getting out so far. We did mention on three different occasions acknowledgement of your letter. Your second letter stated, you did hear one of our acknowledgements. Your acknowledgement also made the local news.

Thanks again for your fine letters, Best regards.

Yours very truly,
