Dear Mr. Brauner:

I am happy to confirm your reception of WRKB. It would seem from your remarks that you definitely did receive our transmission since your letter contains phrasing and wordings that we use. We sign on at 5:30 and after the usual sign on temperature, etc. go into a country music program.

Our equipment maintenance tests and checks are normally run on saturday night after 12:00 o'clock. You might like to keep a check on us then. Thank you for your interest in WRKB.

Sincerely:

Foy T. Hinson.
