Dear Sir:

We are pleased to verify your reception report of this station WRXO. We thank you for the nice report you gave and we are glad to hear from you any time that you may log our station on frequency check or equipment test.

We are using Western Electric equipment with 200 ft. Blaw-Knox self-supporting tower and we have been very pleased to learn that our signals are good in your locality.

Again thanks and write us again.

Sincerely,
