Dear Mr. Brauner:

Thank you for your reception report of June 9, 4:05-4:18 AM EST. Your report checks with our log, and we are pleased to verify it.

WTSB normally operates from 6:30-11:15 EST. We have not as yet established a definite "Frequency Check schedule;" at present we are on every morning from 3:55-4:05.

Our transmitter is modified Tempco, with a $\frac{1}{4}$ wave Wind-charger tower. The speech equipment is Raytheon.

Thank you again for your report. We will be pleased to hear from you again.

Very truly yours,

W.F. Rogers
