Dear Mr. Brauner:

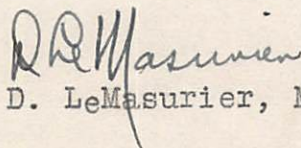

Thank you for your letter of December 27 reporting reception of our signals at 4:00 AM on that date.

Your report was entirely correct. Please consider this a verification.

Your report will be of invaluable assistance to our engineering department, and you are invited to listen on Sunday morning, January 10, 1932, starting at 2:30 for an extensive DX program.

I note you hold membership in a number of Radio Clubs, and would appreciate your advising the members of the organizations of the test program scheduled.

Yours very truly,
