Dear Fan: I am very sorry that your verification should be so late in reaching you but I assure you that it is not because we dont appreciate your reports. It is quite a job answering all the fan mail and with two D. X. Programs a month I have All I want to do. I am glad to help you out in your collection of verifications and if you hear us again, I would be very glad of a report. Our DX programs are the 2nd and 4th Sundays of the month and from 3.00 to 4.00 A. M.

Very truly,

Jack Strahl
