Mr. J. W. Brauner  
17 Spring Street  
Williamsville, N. Y.

Dear Mr. Brauner:

This letter will verify your report of reception of KHAS on December 16, 1940. Power 250 watts.

At your suggestion, I shall attempt to put the station on the air some mornings at 4:30. No doubt we will get more reports if there is less interference. Our test period is at 4:45 but when I can wake up I will try to start earlier.

Thank you for a very fine report. Also want to wish you a Merry Christmas.

Very truly,

*Walter Ely*
