Dear Mr. Brauner:-

This will acknowledge your reception of WNJR, Radio Station of the Newark News, on the evening of December 26th, 1947 at 5:50 PM.

Your description of the programs which were broadcast at that time corresponds exactly with that which appears on our log.

We certainly appreciate your sending us your report of our broadcast and I would like very much to send you verification on some sort of a standard card, However we do not have a supply of these on hand and I trust that this letter will act as verification of your reception.

Very truly yours,

James R. Ryall
