Dear Mr. Brauner:

Thank you for your letter of January 22, 1936.

We are always glad to know a listener's opinion of our programs, whether negative or in the affirmative, for it is only with this public opinion that we are able to arrange our programs. The program which you specify corresponds with our Station log and we are glad to be able to verify it.

Thanking you again for your interest in Station KOB, we are

Yours very truly,
