# KORK

NBC IN LAS VEGAS

THUNDERBIRD HOTEL, LAS VEGAS, NEVADA

2/25/52

Dear Mr. Brauner:-

Very sorry for the delay in answering your reception report, but I've been busy and there are so many Dx-ers - HI.

Needless to say your report was appreciated - thank you very much.

all KORK equipment is G.E. except for the transmitter which is W.E.

150' vertical radiator and very poor ground in sandy soil.

Again thanks.

Wm W. Binford
