Mr. J. W. Brauner  
23 Howard Ave.  
Williamsville 21, N.Y.

I want to thank you for your letter of Jan. 12th '53 and for your interest in our station.

I have just finished writing some 15 DX verifications, one of which came from Len Kruse of 816 Euclid St. Dubuque, Iowa. So you see I can understand your interest in wanting to receive a DX verification from us. What with Len's QTH being in the same direction as yours there is no doubt that you could receive us, but since we have no tests planned in the near future, I can't give you any date at this writing. You may be sure, however, if such tests are planned you will be notified well in advance.

I hope this is satisfactory to you and may I add that we here at W C H N appreciate your interest and wish you the best of DX'ing.
