Dear Mr. Brauner:

This is to confirm your reception of WCJW on the morning of November 18, 1973. We are very pleased to get your kind report.

I would like to apologize for the long delay in answering your report. We have been so busy getting organized, buklding as we go along, and making various adjustments, that there is always something waiting to be taken care of, it seems.

At the time of your first letter (Feb. 6th), we were in the process of adjusting the array and were on the air intermittently with no program.

If you ever get back this way, stop in and see us. With best wishes for the Holiday Season, I am

Very truly yours,

John B. Weeks  
Gen. Mgr. & C.E.
