Dear Mr. Brauner;

I am in receipt of your letter dated August 24,1953 stating that you have heard WDLC on the air for test purposes. I wish to take this opportunity to acknowledge your letter.

WDLC was on the air at that time for test and signed off at that time. Our regular schedule is 7 AM to 11 PM daily.

I am really surprised that the signal was heard so far away. With all the other signals on the 1490 channel we realize our 100 watts does not have much of a chance to get through.

Thanking you very much for your report.

sincerely yours,

Robert G. Adams Jr., C.E..
