Dear Mr. Brauner:

Thank you for your letter of the 18th inst. regarding one of your listeners failing to get a Verification Card from us.

We regret that this was seemingly overlooked, and we are mailing the card today that was enclosed with your letter, and trust that this will take care of the matter.

Thank you for your interesting comments on several of our programs. We are always glad to get the reaction of our listeners on our programs, and welcome your comments at any time.

Very truly yours,
